

Mencap Volunteer Visitor wanted

Befriending Visiting Service

This is a volunteer role to befriend a lovely gentleman with learning disabilities in South Norwood. His speech sometimes requires patience to understand, but his chattiness and lively sense of humour thrive with a calm, friendly and kind visitor. Volunteers visit 6 times a year to create a 1-2-1 connection and offer companionship. In many cases, this visitor is the only person in someone's life who isn't paid to be there for them.

To apply, or for further information, email volunteering@mencap.org.uk or scan the QR code.
