

# Community's One Page Profile

## What is important to the People We Support

The Community team support over 20 people across Sheffield, they enjoy a wide range of interests and like different things

- Playing pool
- Singing or playing an instrument
- Walking
- Going to the cinema
- Shopping in Meadowhall
- A good natter and a cuppa.
- Arts and Crafts
- A pint in town
- Train to Doncaster
- Meals out
- Looking after their pets

We aim to match individuals with likeminded support workers so that their experiences are made even more enjoyable.

## What others like and admire about working in Community

Every day is different

The various needs of people we support- ranging from just 2 hours a week to 24hours a day

Opportunities to try new things

Lone working whilst also part of a bigger team

Induction Training is great

Being a Key Worker and keeping every one up to date

Monthly team meetings

## What is important for the People we Support

As well as supporting people with their interests and hobbies we may also support with

- medication
- personal care (bathing /going to the toilet)
- communicating
- mobility needs
- cooking and cleaning tasks,
- health appointments
- budgeting money
- tenancy related issues.
- Keeping safe
- There is also paper work to be completed
